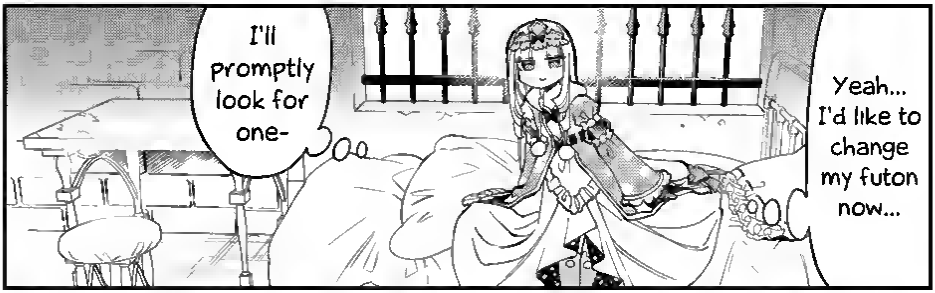
I wanted to release this yesterday, but all of our staff was busy with Turkey Day, so nobody had the time to typeset it. Thus, I'm releasing it on Black Friday instead.

The Princess... doesn't care.
I suppose I'll figure out a way to get a good night's sleep today, as well...!!
Well then ...



I'll promptly look for one-
Yeah... I'd like to change my futon now...

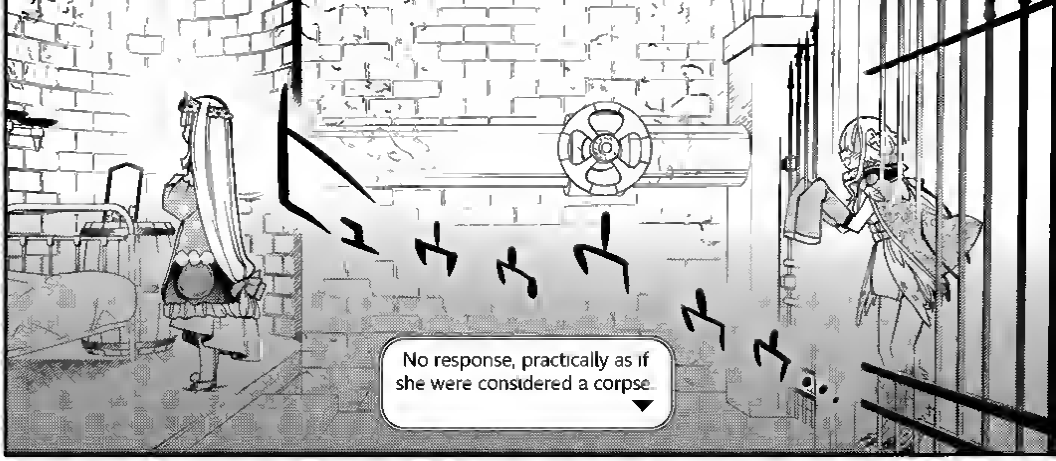
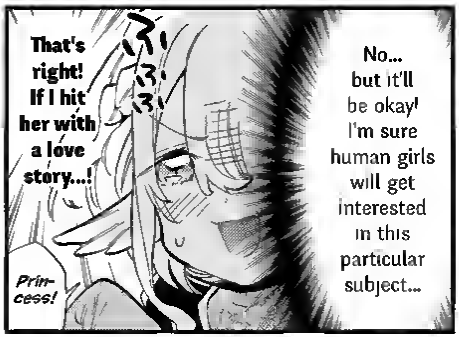
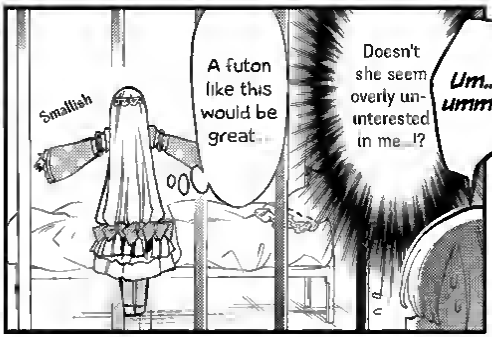
U-um...
Wha ...!
Um... umm! My name's... Harpie!
I came back today for a post change, and I'm interested in human culture, so I'd like to chat with the Princess-
Harpie
I guess I could make some stuff for the room too...
Ah...! Wait! Please wait!



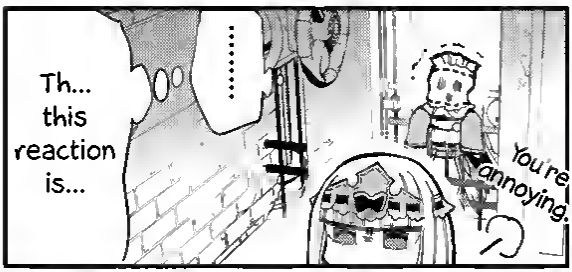
No response, practically as if she were considered a corpse.



That's right! If I hit her with a love story...!
No... but it'll be okay! I'm sure human girls will get interested in this particular subject...
Prin-cess!

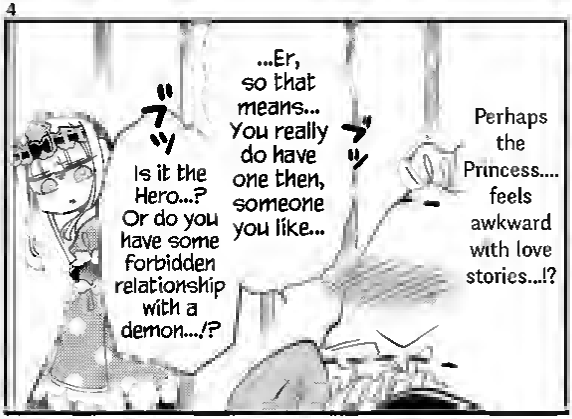


Smallish
A futon like this would be great...
Doesn't she seem overly un-interested in me...!?
Um... umm...



Th... this reaction is...
.....
You're annoying.

Princess~ Do you have anyone you like right now-



Is it the Hero...? Or do you have some forbidden relationship with a demon...!?
...Er, so that means... You really do have one then, someone you like...
Perhaps the Princess.... feels awkward with love stories...!?

Looks like things are getting exciting here.
DEMON KING has appeared!

Well then, this time for sure, I'll go search for futon material-

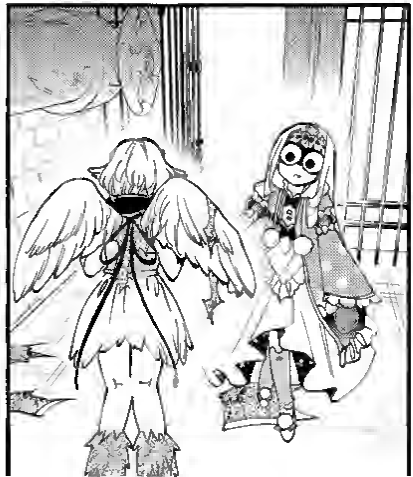
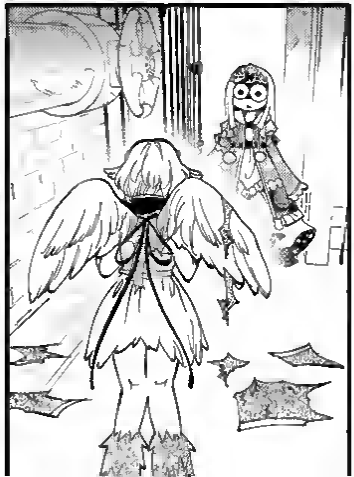
You're preventing me from getting my futon
and to have pajama parties with close girlfriends!
I've longed for it...
To have fun love stories like human girls do...
But... Please...!
Do you... do you not like me because I'm a demon...?
For the first human girl I'm able to talk to (?), I...

I... want to be friends with the Princess!

Feather Wings

Those... Those wings...





Can they come off?
Eh... No they can't...
...Of course.
Even if I did take them off, the precious feathers would scatter catastrophically...
If I make this my futon...
On top of that, it has a size that's just right for the season!
It's totally smooth like silk... and it has just the right weight...!
However, what a feel...

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years

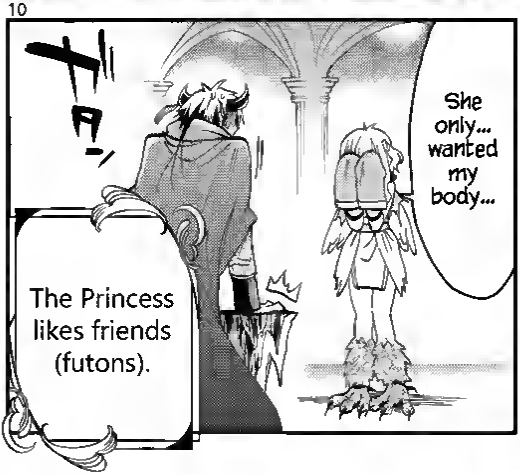
What a .. magnificent blanket
This... isn't a pajama party at all...

So? Did you get close to the Princess?
.....



She only... wanted my body...
The Princess likes friends (futons).

This is a true feather futon...
